

Our Organization came into the industry with a combined industry experience of over 30 years achieved in various organizations including Murphy Shipping & Commercial Services Limited. We were part of the teams that handled some major projects at our previous job engagement for both local and multinational organization/foreign freight agents. These include;

- Addax Petroleum- Knock Taggat FPSO
- Amec Contractors West Africa- Shell FPSO Topside Bonga Field Project
- SBM International Limited- FSO, YOHO for Exxon Mobil
- Subsea 7- Agbami
- Allied International, USA - Materials movements for Exxon Mobil Staff
- Punto System, Italy
- American International school of Lagos
- UNICEF
- Paramount transportation system – Houston.
